

This is our fifth year to offer the Plant Sale Fundraiser. This year we are so excited to be partnering with **Spade to Spoon Garden Market and Greenhouse**, a locally owned and operated business, to run the Plant Fundraiser for our school. Fundraising is always a vital part of ensuring the students have the best year possible. The money raised is used to help cover costs for programs, equipment, resources, and extra-curricular activities. It also takes some of the financial burden off of the parents - allowing more kids to participate in these activities. In addition to supporting school-based programs, the funds will be going towards an outside basketball court.

Spade to Spoon will be growing plants and designing a collection of beautiful planters for our fundraisers. To do this they will need to have orders in by **October 12** so they can properly plan and order the supplies needed to complete the planters for the spring. We are truly thankful for the local support within the Wainwright community. Each student is asked to sell a minimum of **two planters**. The cost for the different planters is listed on the order form. Students can use one order form to complete sales from numerous customers. The order forms and money can be turned into Mrs Thomas in the Learning Commons (Library) any time between now and October 12.

This year, the plants can be *picked up directly* from Spade to Spoon which is located at 45 49 Ave, Irma, between *May 2 to May 9, 2022* – in time for Mother's Day! Students are responsible for picking up their plant sales orders and to ensure that those that purchased the plants receive them. If support is needed in picking up plant orders, please note this on the order form. The planters are sure to appeal to your friends, family members, and co-workers – and would make a wonderful Mother's Day gift!

### Prizes!!!!!!

- Sell 10 or more plants and earn a WHS bucket hat!
- Be the top seller for your homeroom and earn a WHS hoodie!
- For every plant sold, you will receive a ticket which can be put into a draw for one of four amazing prize packages! The prize packages and collection of tickets will be in the learning commons (library).

Thank you in advance for your support. If you have any questions or concerns, please contact Mrs Campbell (Katherine.Campbell@btps.ca), Mrs Thomas (Trish.Thomas@btps.ca) at (780)842-4481.

Plant orders can be *picked up directly* from Spade to Spoon located at **45 49 Ave, Irma**, between **May 2 to May 9, 2022** – in time for Mother’s Day!
