Admin Message

Here we are moving into the last stretch of the school year, and still looking for the sunshine...

Although the weather doesn't always cooperate, we can count on our learning community to - and they came through in spades. Over the weekend we held our Grad and the community came together and helped out in celebrating.

Parents, students, teaching staff, educational assistants, and facilities were all lending a hand to get the space together and ready to celebrate.

THANK-YOU!

The event was fantastic, due to our fabulous grads, and we had a great time. It was excellent to see people together again and enjoying the company.

Congratulations to our graduates!
