Idealism is the practice of forming and having ideals and then attempting to live under their influence. When you have ideals to follow you don't just accept things as they are. You imagine a greater good and seek to make a difference in the world around you.

WHS JUNIOR HIGH EXAM SCHEDULE JUNE 2023

Between June 19 and 23, included in our exam schedule are tutorial sessions for students in the afternoon. Exams are scheduled in the morning while tutorials are in the afternoon.

Students will remain in the exam class until 10:00 am. Potentially students could finish their exams before they are excused for lunch. We will have specific rooms allocated for students to attend at these times. If parents wish to excuse them from this time please communicate this to the office before. If students are not in attendance during the time between the finish of their exam and lunch then it will be notified in PowerSchool as AU during the related periods of time.

What's New at WHS?

BTPS has worked to align schedules to maximize learning for our students. With similar schedules across the division, we are able to use both synchronous and asynchronous distance learning to support students. This means some schools will offer synchronous learning opportunities to remote students and some schools will receive synchronous learning for local students. Wainwright High School is looking to both offer and receive synchronous learning classes.

Aligned schedules also mean aligned bells. Unfortunately, WHS will no longer be able to have scheduled R2 periods during the day. WHS staff has been working with response to intervention (RTI) for many years and with our strong commitment to supporting students, the essence of reteach and relearn will be maintained. An aligned bell schedule will also mean our lunch period will return to 42 minutes.
