FROM THE PRINCIPAL & ASSISTANT PRINCIPAL

Welcome to Semester 2! Our school year is already halfway over. Students will receive a printed copy of their semester 2 timetables when they return on Feb 3. Their schedules are also available through the PowerSchool Parent Portal and Student Portal. If you do not yet have access to Parent Portal, please contact the school office for assistance. There is an app and web version that you can use to access valuable school information such as marks and attendance.

This year, BTPS educators designed and delivered a comprehensive Math 30-1 and Math 30-2 review session, providing comprehensive diploma exam preparation. Thank you to Mrs. Campbell and Mrs. Frank for offering your services for students in BTPS. We had over 30 students from WHS and over 85 students from across BTPS who registered to attend these review sessions.

It is a busy time for our basketball and curling teams who are competing regularly. Both our Jr. High and Sr. High Boys Basketball teams hosted tournaments recently and are highly competitive. We also have a Jr. High Girls Basketball team that is active in their league. This week, we are hosting the BTJHAA South Curling Playoffs and the ASAA Sr. Curling Areas at the Wainwright Curling Rink. Come out and show your support to our athletes!

For the last couple of months, we have been working towards an effective system that will allow us to have our exterior doors locked during the majority of the school day. Thanks to our facilities department, we are ready to start this process again. Starting next week, our front doors will be locked with the exception of morning arrival (8:00am-9:15am) and lunch break (11:50am-12:35pm). Outside of these times, please ring the doorbell to enter our school.

February is kindness month! With the help of some of our students, WOW has created a stunning display to help spread kindness in our front display case. If you are interested in ordering a shirt for Pink Shirt Day on February 26, here is a [link](#) to a local vendor.
