6-7	ASAA Track Provincials @ Grande Prairie
7	Grad @ PMM
9	Grad Walk & Colour Day
16	Last Day of Regular Classes
26	Last Student Day

### JUNE EXAM SCHEDULE

As spring blossoms around us, we are reminded of the importance of growth—not just in nature, but in our well-being too. Mental Health Week, taking place from May 5–9, offers an important opportunity to reflect on and support the mental health of our students, staff, and families. As part of our Mental Health Week activities, we invite everyone to participate in Hats On for Mental Health Day on Wednesday, May 7. Wear your favorite hat to show your support for mental health awareness and to help spark conversations that matter. Let's continue working together to create a culture where everyone feels seen, supported, and valued.

On May 5, our Grade 9 students will have the opportunity to tour the Lakeland College Lloydminster campus. This visit will allow students to explore future post-secondary programs and learn more about University Transfer, Dual-Credit and CTS courses available through Lakeland during their high school years.

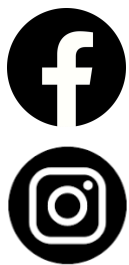

Best of luck to our students participating in the upcoming track meets! The WHS/BSS Track Meet is scheduled for Wednesday, May 14 at BSS. We are also proud to be hosting the BTJHAA South and BTJHAA Finals Track Meets here at WHS.

We would like to extend our sincere gratitude to Inter Pipeline for their generous \$4,500 donation in support of our ISEE Food Program. Contributions like this make a meaningful difference in the lives of our students.

We're excited to wrap up the month with our annual Staff vs. Grads Ball Game on May 29! It's sure to be a fun-filled event for everyone involved.

- Mrs. Cook and Mr. Martin

# WAINWRIGHT HIGH SCHOOL NEWSLETTER

April was super busy with Badminton, Superintendent's Speaking Competition, Classroom Presentations and the Greece Trip. Keaton won 1<sup>st</sup> in the Senior High Division & Anoushka won 2<sup>nd</sup> in the Junior High Division at the Annual Speaking Competition held in Vermilion last month. Great job you two!! Ashlyn was selected to MC this event and did an amazing job! Layne brought home the bronze @ zones in Senior Badminton and the Grade 9's had a presentation on impairment and learned firsthand through the use of specialized goggles which simulate the impact of intoxication in a safe & controlled environment.

## Coffee Break WHS GOES TO GREECE!

Wainwright High School was proud to send 24 students from Grades 10, 11, and 12 on an unforgettable educational journey through Greece! Accompanied by Mr. Hartl and joined by fellow students, teachers, and chaperones from across Buffalo Trail Public Schools, this experience brought history to life. From standing beneath the Parthenon in Athens, to walking the sacred grounds of Delphi, exploring the Temple of Zeus in Olympia, cruising the Aegean Sea, and visiting the majestic Temple of Poseidon—this trip was nothing short of extraordinary. A special shout-out to our graduating students who capped off their high school years with memories that will last a lifetime!
