Wow—it's hard to believe this is the final newsletter of the 2024–2025 school year! On Thursday, we came together as a whole school community to enjoy the annual Staff vs. Grads Ballarama. Students had a great time with burgers and freezies, while the staff and grads took to the field for a fun and spirited baseball game. While the grads took home a 9–4 win, the staff came out on top in the post-game water fight! A big thank you to the parents and the Grade 6 class from Wainwright Elementary who joined us for the festivities.

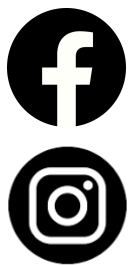

As we begin June, we turn our focus to celebrating the Class of 2025. On Tuesday, June 3, we hosted our grad banquet in the gym for graduates, their families, and school staff. Then, on Saturday, June 7, the official graduation ceremony will take place at 2:30 p.m. at the Peace Memorial Multiplex. We are excited to mark this important milestone with our grads and their loved ones.

Track and Field season is also wrapping up this month. Good luck to our junior high athletes competing in the BTJHAA Finals here at WHS on Tuesday, June 3, and to our senior high athletes heading to Provincials in Grande Prairie on Friday, June 6! We're proud of your hard work and determination and know you'll represent WHS with pride.

As we close out the year, it's a natural time to pause and reflect. This year has been filled with growth, learning, and so many moments to be proud of. Our staff continues to go above and beyond to support students both in and out of the classroom, always striving to create engaging and meaningful learning experiences. Our students have risen to the challenges of the year, finding success in academics, athletics, the arts, leadership, and service. We've also seen increased involvement from parents and community members—your support makes a world of difference, and we're so grateful to partner with you in the education of our students.

Thank you for your continued support, encouragement, and collaboration throughout the school year. Wishing everyone a relaxing, safe, and joyful summer!

Coffee Break Music Spring Concert

If you missed the band concert on May 27, you missed out!! What an incredible evening of great music! Our Grade 8/9 and Senior bands played all kinds of music together from drumline to concert and even jazz. It was an incredible evening and we are so proud of them and a huge "Thank You" to Mrs. Gingrich for all her hard work and support of the kids! You can tell they just love it and carrying on your passion for music.
