FROM THE PRINCIPAL & ASSISTANT PRINCIPAL

September has been an exciting month at Wainwright High School! Our school community has come together in meaningful ways—honouring our military families, celebrating athletic achievements, and engaging in powerful learning experiences.

We were proud to recognize and honour our military families on Military Families' Appreciation Day. Staff and students wore red and shared in a pancake breakfast on Friday, September 19, showing our gratitude for the contributions and sacrifices of those connected to the Canadian Armed Forces.

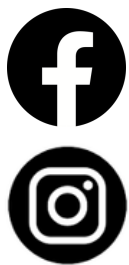

Our athletic programs are off to an exciting start. Congratulations to our junior high golfers, who proudly brought home the BTJHAA Golf Banner! Our Commandos Football team also hosted their annual Autumn Classic under the lights, a highlight of the season. The event was more than just football; families enjoyed food trucks, a silent auction, bouncy castles, and a car show, creating a true community celebration.

This year's Terry Fox Run was especially meaningful as Wainwright Elementary School joined us to walk together in support of cancer research. Thanks to the generosity of our staff, students, and community, we have already surpassed our fundraising goal of \$1,600 for the Terry Fox Foundation. On September 29, our school community was honoured to welcome Kevin John and his daughter Elaina, who led us through powerful blanket exercises and sharing circles. These experiences offered meaningful learning about Indigenous history and the relationships between Indigenous and non-Indigenous peoples in Canada. It was an opportunity for our students to build empathy, understanding, and a stronger commitment to truth and reconciliation.

Way to go, Commandos! Let's continue to inspire success... every way, every day.
